

Involvement Opportunities

The Chamber is the largest local business advocacy organization. You are invited to share your time and talent by volunteering on of our committees. Getting involved with the Chamber committee that inspires you will help make a difference for its members. By dedicating your time and energy you will:

- Help build a strong local economy
- Be the VOICE of members with local government
- **Improve** & increase member benefits
- Help structure and formulate new and better networking opportunities
- Collaborate with community partners and other members to enhance the quality of life in Manhattan Beach

Committee Descriptions – Ambassadors

The Ambassador Committee acts as the official greeters for the Chamber’s new members. They attend ribbon cuttings, mixers, and other events. Ambassadors also volunteer at various events to help register members and greet guests. By becoming an ambassador you will be visible in the community and have the chance to work with individual business owners.

Business Development

The Business Development Committee launches programs to help business retention, expansion of membership base and recruitment of new members. They partner with other business groups to promote doing business in Manhattan Beach and the beach communities. This committee is also responsible for producing and supporting the Business Expo which occurs annually in March. Participation in this committee affords you the opportunity gain first hand knowledge of the business climate in Manhattan Beach.

Education

The Education Committee provides support to the Chamber membership through educational programming. They help produce workshops, educational networking events, and resources to help build individual business share best practices. They keep members update on the latest advancements for business to help ensure our membership is knowledgeable.

Hospitality

The Hospitality Committee focuses on sharing the messaging and marketing of the city. The group is also responsible for helping to drive traffic to local businesses and offering additional visibility for their own businesses within the community.

Legislative Advocacy Council (LAC)

The LAC represents member businesses with local government. They act as the conduit and voice between the Chamber's member base and political representatives in the community. Being a part of this committee affords you the opportunity to be instrumental in various decision-making processes.

Manhattan Beach Young Professionals (MBYP)

The MBYP produce a variety of networking events and activities. During their events they focus on introducing new members to the existing member roster and to invite young professionals in the area to learn from their peers on best business practices. Develop your communication and hone your business skill set by sharing with and learning from other members.

Women in Business (WIB)

The WIB Committee acts a mentor program for local women in business. The group is a voice for women and promotes leadership and education the events they produce other networking opportunities. They introduce other women to the goals and mission of the Chamber as well as women in the business community. Every year the WIB is responsible for planning and helping promote the South Bay Conference for Women.
